

General Data Protection Policy

At TT DANIŞMANLIK A.Ş. we attach the utmost importance to the protection of your personal data and to the protection of your legal rights in this regard in accordance with the Law No.6698 on General Data Protection.

This policy and vision are implemented in all activities carried out and managed by TT Danışmanlık A.Ş. in relation to the processing, transfer, storage, destruction and protection of all personal data.

In this regard, we act in accordance with the following principles:

- ***Processing personal data in accordance with the law and in good faith,***
- ***Keeping personal data accurate and up to date when necessary,***
- ***Processing personal data for specific and legitimate purposes,***
- ***Processing personal data limited to and only for its intended purpose,***
- ***Keeping personal data for the duration of its intended purpose and deadline set by the law,***
- ***Keeping personal data owners informed and up to date on their rights and the status of their data,***
- ***Setting up the necessary infrastructure for personal data owners to exercise their rights,***
- ***Taking all necessary precautions for the protection of personal data,***
- ***To act in accordance with the regulations of the KVK Board in the case of transferring personal data to third parties which is possible only when it is within the scope of personal data processing's intended purpose,***
- ***Displaying extreme caution and care in taking all the protective measures for the processing of personal data of a special nature.***

With all these points in perspective, as the Human Resources Department, we take all administrative and technical measures for the protection of your personal data. We put in place and conduct studies on implementing new processes and educational tools that aim to raise the awareness of all of our employees and to ensure our new employees are up to date and educated in all the aspects of personal data protection.

We will continue to constantly review these measures to make improvements, when necessary, in accordance with the legislation.
